Q Questions agents ask

- Which of my policies are about to lapse?
- Which cases have been in underwriting over 30 days?
- Which clients have an anniversary next month?

✓ Built to be right

- **Real numbers** from your synced book, never made up
- **Scoped to you:** an agent never sees another agent's book
- **Read-only:** the AI can look, never change your data
- **Shows its work:** every answer says how it was computed

Ask your first question in the demo office.

See it on a real sample agency, then set it up on your own book in one call.
